

Interactive Smart Shelf

Better Customer's Shopping Experience & Better Retailer's selling Experience

Movement of the merchandise will trigger the digital signage to play coordinate content. Customers can get immediate knowledge about the product without salesperson assistance.

Solution Benefits

- Good for Complex Products or Promote Specific Items with Attractive Advertisement, Product Details or Discount Voucher
- Enhance Your Staff Efficiency without Explaining Same Items Over and Over Again
- Get Products details information immediately and directly on the shelf, just by picking up the interested item
